

As the United States marks the 150th anniversary of our defining national drama, 1861 presents a gripping and original account of how the Civil War began. 1861 is an epic of courage and heroism beyond the battlefields. Early in that fateful year, a second American revolution unfolded, inspiring a new generation to reject their parents' faith in compromise and appeasement, to do the unthinkable in the name of an ideal. It set Abraham Lincoln on the path to greatness and millions of slaves on the road to freedom. The book introduces us to a heretofore little-known cast of Civil War heroes—among them an acrobatic militia colonel, an explorer's wife, an idealistic band of German immigrants, a regiment of New York City firemen, a community of Virginia slaves, and a young college professor who would one day become president. Adam Goodheart takes us from the corridors of the White House to the slums of Manhattan, from the mouth of the Chesapeake to the deserts of Nevada, from Boston Common to Alcatraz Island, vividly evoking the Union at this moment of ultimate crisis and decision.

The History Of The Decline And Fall Of The Roman Empire V4, Needle Phobia: Hypnosis Downloads, A Short Course in Photography: An Introduction to Black and White Photographic Technique, James Allens Book of Meditations for Every Day in the Year, Eleanor Roosevelt: A Life of Discovery (Clarion Nonfiction), Bill Russell (Basketball Hall of Famers), Romance: Paranormal Shapeshifter *14-in-1* Fantasy BOX SET (SUPERSIZED BONUS INSIDE), Daredevil: Gangwar,
