

A year 2000 computer glitch got her \$1 million and a cowboy--and the wildest adventure of her life ...P.R. whiz Tess OMara is burned out. Shes looking for a change. Something wild and crazy. The year 2000 has arrived. And thats when the trouble begins. A computer glitch has deposited one million dollars into her bank account. Problem is, its somebody elses money, somebody whos willing to kill to find it--and Tess has already spent a big chunk of it on a new wardrobe and a powder-blue Mercedes convertible. Suddenly Tess is running for her life, as fast and as far as she can go until she reaches the sleepy desert town of Almost, Arizona. Sheriff Jake McCall, a dead ringer for Mel Gibson, is there to catch her as she careens into town and collapses from heatstroke in his arms. Jakes prepared for anything--except the spoiled city slicker with trouble in her wake. The last thing he expects is to fall for her. But as danger tracks Tess to her door, something unexpected happens that will transform two very different people, and one dusty, dead-end town, forever ...
