

This unputdownable rollercoaster read, is filled with action, adventure, mystery and romance. When award-winning journalist Marianne Coltrane falls in love with a remote island off the west coast of Ireland, she had not bargained for a tumultuous affair with Hollywood movie star Ryan O'Gorman. When Ryans career recalls him, Marianne remains on the island to support the close-knit community who are becoming like a family to the world-weary journalist and her beloved Highland terrier. Its not long before Ryan realises he cannot live without her and returns to woo her back. Tricky enough without his problematic ex-wife or the contract he cannot break, but when a mysterious death lands his agent in a heap of trouble and Mariannes mother find herself literally up to no good in New York, the couple, struggling to establish their own relationship are very nearly driven apart. Then when a dangerous but essentially good deed puts all they treasure in jeopardy, its time to take stock and fight for what matters most ...or is time running out for this charismatic couple and everything they hold most dear? Following the acclaimed debut *The Hollow Heart*, *A Change of Heart* is another exciting read. Laced with glamour, mystery and intrigue, this beguiling tale is filled with characters youll love and laugh with all over again. Book II in the Heartfelt series.
