

In this science fiction short story, unsuspecting space travelers are captured and entombed in life-support coffins on a massive offworld medical freighter. The prisoners sleep for years at a time while their dreams are harvested as raw energy so that others can stay awake indefinitely. This haunting tale plunges the reader into a distant future where one prisoners sleep is interrupted and he will do anything to stay awake.

Even if you don't find your dreams upsetting, it can be helpful to explore them, since they're often more connected to your waking life than you. Have you ever had a dream in which you think you've woken up, only to then wake up later for real? Perhaps you even got out of bed, started. Dream Of Waking Lyrics: I feel it washing over me, the slow poisonous tide / Pins and needles dance on me / Sickness undefined / Now I'm afraid to face the sky. I know there are some psychoanalysts who theorize that every creature which appears in a dream or waking dream is an aspect of the dreamer. Clive Barker. When we think about our lives, the people in our lives, the work we go to, the city we live in, the galaxy we're a part of and the whole universe. In a recent unpublished working paper I performed a meta-analysis of these studies to determine the strongest signals of waking-dreaming.
