

[...]together by much more imminent common dangers. In the following year a third congress was convened. This continued in session for years, its two most important acts being the Declaration of Independence from Great Britain and the Confederation of the States, the first form of union which the colonies adopted. This Confederation was in no true sense a Union. The jealousies and fears of the colonies made themselves apparent, and the central government was given so little power that it threatened to fall to pieces of its own weight. It could pass laws, but could not make the people obey them. It could incur debts, but could not raise money by taxation to pay them.[...].
