

Win, place, or die. The apparent heart attack that killed kennel owner Max Turnbull has left seven pups in mourning, and his wife Peg suspecting foul play. But the only evidence is their missing prize pooch—a pedigreed poodle named Beau. Enter Melanie Travis. With her young son happily ensconced in day camp, the 30-something teacher and single mother is talked into investigating her uncle's death—unofficially, of course. Posing as a poodle breeder in search of the perfect stud, Melanie hounds Connecticut's elite canine competitions and finds an ally in fellow breeder Sam Driver. But her affection cools when she's put on the scent of Sam's questionable past—and hot on the trail of a poodle-hating neighbor and one elusive murderer who isn't ready to come to heel. For as Melanie soon discovers, in a championship dog-eat-dog world the instinct for survival, and winning, can prove fatal.
