

Twelve months of beautiful Yosemite will grace any wall. Nancy Robbins is a rarity among Yosemite landscape photographers. Living right in the park, she is on the spot when Yosemite is at its best, whether it is the turn of a season or the moment the light is just right. Her prints, sold in the park stores as well as from her Oakhurst, CA, studio, are wildly popular, and now this well-priced calendar will introduce her to a whole new audience. Features all the Valley icons, Tuolumne Meadows in bloom, and the Mariposa Grove of Giant Sequoias dusted with snow.
