

All Violet can think about is how to make sure she has a date for her little sister's wedding. Online dating, speed dating, blind dates...she doesn't care what it takes. And when that doesn't work, she hires a matchmaker, only to discover that her "match" is her old college classmate. Violet didn't like Jackson then and she sure doesn't like him now. But Jackson has a plan: he'll be her "boyfriend" at the wedding if Violet will be his "girlfriend" for his high school reunion. There's just one small hitch—they still can't stand each other!
