

One Christmas can change your life! Kyle Houseman believes he'll never find anyone he could love as much as Olivia Arnold, who's now married to his stepbrother. Not only did he lose her, he's been through one divorce and has no desire to go through another. He's determined to be extra careful about the next woman he gets involved with, which is why he fights his attraction to the beautiful stranger who rents his farmhouse for the Christmas holiday. Lourdes Bennett is a country music artist. She's only planning to stay in Whiskey Creek long enough to write the songs for her next album, the album that's going to put her back on top. Her dreams don't include settling in a town even smaller than the one she escaped. But as she comes to know Kyle, she begins to wonder if she'd be making a terrible mistake to leave him behind!
