

Lark Zaccaro and Derek Carlson were partners and friends. Lark wanted more. Then someone at the Intergalactic Investigations Bureau sold them out to enemy aliens. Lark was forced to abandon Derek to the enemy, and Derek bought the IIBs story that Lark betrayed them all. When Lark's deep cover mission and Derek's new job in search-and-rescue collide, the desire simmering between them explodes. Lark needs Derek's help to escape a new enemy, and Derek needs to discover the truth about what really happened on that alien planet. Can they overcome lies and betrayal and find the love and comfort they seek, or will their past forever keep them apart? Their story continues in Galactic Betrayal 2: Deceived.
