

Bonjour, my name is Andre Chevalier. It has been my joy and my great honor to help those who have lost their way. Not long after I began my journey, I met two such wounded souls. Renata Koreman, my little mouse. She came to me as a childâ€”shy, mute, injuredâ€”broken. It took oh-so many years to start to bring her back to herself! Yet, I could not fully heal her. Years later, Grant Wilkinson, he too fell into my hands. The ex-Army Ranger was badly disfigured and saw himself as a monster. Isolated by secrets, solitary and self-contained, his colleagues affectionately named him â€”Frosty.â€”™ Yet, how should one behave when besieged by a lifetime of confusion and guilt? The moment I saw him, I thought of her and I wondered. The eyes, they cannot always see clearly. And the heart? Ah, the heart can only guess at the truth. So it was that I remained uncertain. Could the mouse and the monster heal each other? Behind a backdrop of secrets, scandal, and murder, the ABUSE trilogy (Abuse, Accuse, Avenge) is a realistic journey full of healing, twists, turns and surprises.
