

here are all the personal A.D.D. stories? That is what I wondered as I searched for books about A.D.D. and A.D.H.D. There was no lack of expert advice, but so few titles with a direct connection. This book begged to be written. Inside you'll learn that...For 28 years and counting, I have been a student of A.D.D. I have lived with it intimately and learned to cope with it effectively. I was diagnosed at age 10, and have run the gamut from medication to no medication. I have developed many personal coping skills, and I don't think an expert could pick me out of a crowd. Inside I tell you my story with a sincere hope that it will help you. I hope you find something you can relate to and something that you can use to encourage others. I have included the information that I have found encouraging in my own journey. I have received comments from all over the world in regard to my story and my list of Famous People with A.D.D. I've heard from people who have shared the list with their children with positive results. I've received comments from people who have thanked me for changing the way they view themselves and A.D.D. In addition to my list, inside you'll find: Quotes Tables of data Simplified information and stats Links to great resources A book list of recommended reading This is a personal story of my life with A.D.D. I wrote it for you.
