

Countermeasure dives head-on into a melting pot of danger in the Middle East. The stakes just got higher. CIA Operative Nathan Nelson has built his life on secrets, especially those that have shaped the man he is--secret feelings for a woman he is viewed as off-limits for a decade and events that taught him to keep his shields up. Now, those secrets come barreling down on him at the worst time. Foreign Service Specialist Rachael Moore is personal crusade puts her in the cross-hairs of very dangerous people. She has risked her life to free herself from the past and in doing so, exposed her battered heart and deeply concealed dreams to the man who once told her he would never touch her. Unknowingly, their connection may not only bridge the chasm between them, but shed light on a puzzling mystery. Their perilous journey becomes a race for their lives, leading them into a conspiracy rooted deeper than their tangled emotions. Will their present collaboration shatter the tenuous links of their woven past or forge a future bond they never expected? \*\*\*\*18+ GRAPHIC LANGUAGE AND ADULT SITUATIONS\*\*\*\* \*\*For fans of Covert Affairs, NCIS, Blindspot, and Strike Back.

Interview with the Authors Q - So what makes the Countermeasure Series special? A - Countermeasure combines the best of Romance, Adventure, and Suspense into one hot single series. We write real people, not characters into our books. They are true to life and flawed, also someone you feel you can connect to and invite for a coffee just to shoot the breeze. The series has two separate, yet connected sets of books. The novels develop the bulk of the mystery and adventure in the plot. The short stories and novellas develop the characters and bare the characters souls to you. All of their dreams, disillusion, fears are exposed in the short stories. The short stories and Novellas are also what we call Romantica. They are stories portraying a day in the life of the characters after their I do. A mix between Romance and Erotica where you are the fly on the wall during the married couples intimate moments. If you enjoy high heat, spicy reads involving married couples, you got to the right series. Q - What order should I read the books? A - We recommend you read the novels and novellas in the following order. Please note the short stories and novellas are not mandatory reads to understand the suspense arc in the novels. - Countermeasure - Uncharted (FREE prequel with subscription to our newsletter) - Ecstasy by the Sea (also available in Countermeasure: Bytes of Life Volume I Bundle Deal) - Cuffed at Midnight (also available in Countermeasure: Bytes of Life Volume I Bundle Deal) - Take Me - Passion at Dawn (also available in Countermeasure: Bytes of Life Volume I Bundle Deal) - Something Crazy - To Russia with Love - Blindsided (also available in Countermeasure: Bytes of Life Volume II Bundle Deal) - Roaming Pleasure - Payback - Lost to Rapture (also available in Countermeasure: Bytes of Life Volume II Bundle Deal) - Brazen - Christmas Wish (also available in Countermeasure: Bytes of Life Volume II Bundle Deal) - Alternate Connection Q - Why should I give these books a try? A - Because the Countermeasure Series books take you on a fast, fun and thrill-filled ride that will leave you wanting for more from all of our characters. Readers who are not skimmish about adult scenes and language appreciate the books greatly. Thank you for reading! For more information about the series and how the books connect, reading order and upcoming stories, please visit the series official website.
