

Analyze thousands of years of giant skeletons from 7 to 15 feet tall, along with DNA evidence, genetic mutations, newspaper articles, archeological notes, and excerpts from the Smithsonian Institutions own records. Meet a living tribe of 19th century Stone Age giants. A leading anthropologist compared their bones to Cro-Magnon skeletons. Do they represent the original humans prior to the arrival of extraterrestrial giants, or the biblical Nephilim? Explore the advanced technology of the extraterrestrial giants: two-way radios, aircraft, self-propelled boats, wormholes, military vehicles, and aerial weapons that blasted Earth. Historical accounts, first-person encounters, plus legends and mythology tell us who they were, where they came from, how they interacted with humans, and left us with predictions of their return. There is a systematic attack on the evidence, however, that keeps giants mired in disbelief and ridicule. Documents are being rewritten one word at a time to give us an altered history that completely erases extraterrestrial giants, except in the realm of fairytales and fantasy. Dissect several alleged hoaxes and questionable discoveries for an in-depth look at how debunkers twist the facts. How does Area 51 and several missing witnesses fit into one of the biggest hoaxes in giant history? Were giant mummies used as a diversion for the Roswell UFO crash? Take an expanded look at the mummified, red-haired Lovelock giant found in Lovelock Cave, Nevada, and see how debunkers twisted the facts. Revisit the Los Lunas Decalogue Stone, and see how the Navajo translation was summarily dismissed by casting a shadow of doubt on the credentials of the translator -- a translator whose credentials are impeccable. What happened to King Solomons Cave in Montana? What turned this cave of giants into a giant hoax? The easiest way to hide the truth is to bury it under accusations of incompetency, hoaxes and frauds, so that archeologists and anthropologists distance themselves from the controversy, and everyone questions the authenticity of the bones or artefacts. Meet specific giants including Goliath, King Og, Hiawatha, Odin, and The Watchers of the Bible. Go deep inside the Bible and its forbidden books. Compare Bible translations about the extraterrestrial Grigori giants and their landing site on Mount Hermon. Meet their hybrid descendants: the Nephilim giants, Elioud, Anakim, Rephaim, and others. Benevolent giants lifted humans up out of savagery and taught us agriculture, raising livestock, building shelters, reading and writing, astrology, astronomy, medicine, warfare, and road building. This coincides with the Neolithic Revolution that took us from the Stone Age into the Bronze Age. Human-Giant hybrids destroyed what their parents built, and they became cannibals. Chilling accounts of these giant cannibals span the entire world, leaving us with a truth that's almost too horrific to contemplate. The Fourth World of Native American mythology was the age of giants, and it was attacked by gods who left amazing evidence of their technology. Stolen artefacts, witch hunts, and the total annihilation of the bones of heretics and biblical giants eliminated a big chunk of evidence. The gruesome fate of old bones in general plunges us into a Twilight Zone of the bizarre. Today the Battle of the Bones rages on over old hoaxes and new laws. The fate of the giant bones goes far beyond denial or government cover-up, however. More important than the controversy over missing evidence is what will happen when the extraterrestrial giants return. Conspiracy theories keep humans busy with finger pointing and demands for the truth, when what we should really be focused on is who the extraterrestrial giants were, and what to expect when they return. Are we ready? Look at the evidence, and judge for yourself.
