

The days of your innocence are long gone.™ Top model Kelda Wyatt is thrilled at the prospect of a photo shoot in Tuscany, until she learns Angelo Rossetti hired her. Caught in a compromising situation with the handsome Italian billionaire years ago, Angelo accused Kelda of setting him up, and vowed to punish her. Now Angelo will take the sweetest revenge possible; make Kelda his mistress, drive her wild with desire, then discard her. But when Kelda becomes pregnant, discarding her is no longer an option. Perhaps a convenient marriage, where he can control her every move, would be a more fitting form of punishment?
