

James LePore's first novel, *A World I Never Made* earned raves from reviewers, readers, and fellow authors alike. Blogcritics called it, "An outstanding first novel, and a wonderful thriller." Bella Online said, "I highly recommend this compelling suspense story filled with vivid characters and haunting storylines. A story that will stay with the reader long after the final pages." And M.J. Rose, the acclaimed author of *The Memorist* said *A World I Never Made* was, "A compelling page-turner? one of those wonderful books with characters as strong as the story and a story worth reading. Don't miss it." Now LePore returns to the characters of *A World I Never Made* to present us with three suspenseful and unforgettable stories: *Till Death Do Us Part*: A young Pat Nolan and his wife are on their honeymoon in New Mexico when they find a bond they did not know they had as they are forced to confront trouble in the form of a surly trio of locals. *Gods Warriors*: Megan Nolan, a cynical American woman on her own in Europe makes a life-changing decision that both reveals and belies her true character. *Max*: Max French, a quirky, deadly and, in his own eyes, oddly lovable FBI agent faces a personal drama that will set the course of his future.

*A History of the Orchid, Desire For Revenge* (Mills & Boon Modern) (Penny Jordan Collection), *Evas Adventures in Wonderland: The literary classic Alices Adventures in Wonderland with your child as the main character.*, *Lhomme Qui Revient De Loin...* (French Edition), *Black House* (Pocket Books Fiction),
