

ARCANUM by Sean Maclaren is one of two sequels to Who Really Owns Your Gold, which was an introductory historical perspective about the Jesuits and their malevolent actions and behaviors over the past 100-plus years in America. The 406-page sequel is a highly detailed and provocative two-part essay: Part One is an unsparing, meticulous and diligent analysis and evaluation of each of the original 36 sermons of Jmmanuel Sananda, the half-extraterrestrial and half-human known to the world as Jesus Christ. Part Two is an actual full English translation and new edit (for clarity and readability) of the 36 extant sermons of Jmmanuel. There are also more than 500 excellent primary references for serious historians, researchers and students.
