

The Art of Editing continues to be the standard by which editing texts are judged, offering the most comprehensive and up-to-date discussion of editing available. Long viewed as the classic in the field of editing, The Art of Editing continues to evolve to meet the needs of today's students. While traditional newspaper editing forms the foundation of the text, attention is also placed on the other areas in which students are increasingly finding jobs: online media, corporate magazines, broadcasting, public relations and advertising.
