

It's Susie's twenty first birthday, and she's newly graduated from law school. Oh and she's a virgin! But that's okay, she's never been a guys type anyway, not with her curvy hips and ample bum and oh so heavy bust. But it's never bothered her anyway. She has what matters most. A brain. But out on her birthday dinner with friends who are obsessed with waistlines and thigh gaps, she spots the hottest man in the upmarket restaurant checking her out. Perhaps she's mistaken. Perhaps he was looking at her Barbie friend, Haley, with her striking good looks. Susie is mistaken. It's her he wants! But it isn't until there is a moment between them that she knows just how mistaken she is about everything. But who is Mister Hunt? And what would she do to make sure she pleases just him! Or will she? Daredevil she becomes, there's no telling what will happen!
