

True love can happen at the strangest time. Sassy Hayley Moore was just spending the summer on Drummond Island, doing a bird survey for a non-profit. The last thing she needs in her life is a sexy six-foot cop, especially one that thinks sarcasm is the way to a woman's heart. Luke Henderson had earned his reputation as a charming bear shifter honestly. All the women fall for his brash personality, at least until Hayley drives into his life. He's sure she's his true mate, and she's sure he's the last man she should fall for. The sparks fly every time these two get together, but when she's in danger will Luke's bear be strong enough to save her and make her his own? A complete story with a HEA, and no cliffhangers.
