

Offering an in-depth overview of the early days in the Australian cattle industry, this unique memoir describes one mans experiences managing the Humbert River Station for 43 years. Remarkable life-stories intersect with renegades, ruthless bosses, floods and droughts, gun fights, and horse races, capturing the historic sweep of Charlie Schultz's extraordinary adventures. A colorful, personal account of hardship and triumph complete with photographs and excerpts from diary entries, this narrative describes life in the hostile bush and shares a powerful insight into an older, simpler Australia.
