

This book has three parts to it since it represents the true story of the author; starting with his birthplace Aleppo. During this period, he tells his life as it happened; from childhood to graduating from high school and his escape from the Syrian Army. The author brings up what it took to survive and succeed in the United States and finally, how he got involved with America's Energy Independence goals. He leaves the book with valuable data and information which students/readers can use for years.
