

It's 2016 in America, which means it's election time! Santa Claus has always been kind of racist, so naturally he gravitates toward the Donald, the mentally deranged, bigoted Republican candidate supported by the KKK and Neo-Nazis. Bigfoot, on the other hand, has always been a bleeding heart liberal, so he of course supports Hill-Dawg, the shady, calculating Democratic nominee who also happens to be the wife of the beloved former president, Slick Willy. When The Donald announces one of his infamous race-baiting campaign rallies in New York City, Santa wants to go to support his beloved bigot. Bigfoot wants to go, too, but only so he can protest. Bigfoot unsurprisingly is beaten up by the Donald's supporters and subsequently arrested. Santa is arrested too, since he is actually an illegal immigrant from the North Pole. This causes Santa to second-guess his support of such a narrow-minded candidate. Bigfoot and Santa are surprised when Hill-Dawg, Slick Willy, and President Obama bail them out of prison. But they're not just doing it out of the goodness of their calculating hearts. Hill-Dawg wants Bigfoot and Santa, along with their bffs the Easter Bunny and the Tooth Fairy, to help them invade The Donald's impregnable fortress, affectionately known as Rump Tower. It turns out the Donald is actually a supervillain hell-bent on ruling not only America, but the entire world. And with Hill-Dawg's approval ratings at an all-time low, there is a somewhat decent chance of the Donald actually becoming elected President of the United States. So if there is any hope of stopping the Donald from becoming dictator of Planet Earth, he has to be stopped now. Will Bigfoot, Santa, Hill-Dawg, and Slick Willy succeed in thwarting the Donald's nefarious plot of unleashing a global race war? Or will The Donald succeed in unleashing a wave of bigotry and hysteria across the entire planet? Read this satirical political thriller to find out!!!
