

From Best selling Author David Chuka Join Billy and Monster in this fourth episode of the series - The Fartastic Adventures of Billy and Monster. Heres what readers like you have been saying about the Billy and Monster books: My daughter has really been enjoying David Chukas Billy and Monster books. This is another fun addition to the family. As always, the story has a lovely moral (this time teaching the value of moderation - definitely the biggest word in the book)! Its based on the very realistic theme of overindulging in chocolate/sweets, which virtually anyone can relate to and which kids find a lot of fun. And, awesome pictures as always. Definitely recommend it. - Mama Dee Very well done. Illustrations are original and professional. A great addition to any library. I have all the books in this series and my grandchildren read them when they come over on weekends. - A.K. I buy books like these so I can read them to my grand children. They love this kind of thing. But, I have to admit, I was chucking right along with them. I love the Billy and the Monster books and using their power to fart against a crook was masterful. My grand kids were laughing all evening. Looking forward to the next one. - James Hoag Get your copy today and see discover what Billys new neighbor has in common with him in this funny book for kids of all ages.
