

With his Heritage, Legacy, and Inheritance trilogies, New York Times bestselling author Ian Douglas established himself as one of the true masters of military sf—sharing center stage with such authors as Rick Shelley, John Ringo, David Sherman, and Dan Cragg in a wildly popular sub-genre of science fiction that includes such enduring classics as The Forever War by Joe Haldeman and Robert Heinlein’s Starship Troopers. Now, with Bloodstar, Douglas kicks off his new series, Star Corpsman, with a bang, focusing on the elite units of recon Marines and S/R Corpsmen who infiltrate alien worlds ahead of major planetary invasions to gather intelligence on both the local environment and on the psychology and biology of the enemy. In Bloodstar— Ian Douglas carries readers once more across the vast galaxy, light-years from Earth, and into the fire and terror of future war.

The Idiot, Curves For The Billionaire (A Curvy Billionaire Romance), Naturally Homemade, Rage of a Demon King: The Serpentwar Saga, Book 3, Walks of the Mornington Peninsula, Aquaman No. 15: American Tidal (Aquaman, Volume 7), An appendix to sayings of the Jewish fathers: Containing a catalogue of manuscripts and notes on the text of Aboth, Das verlorene Paradies (Paradise Lost) - Mit Illustrationen von William Blake (Illustriert) (German Edition),

Editorial Reviews. Review. Douglas knows his SF Publishers Weekly. From the Back Cover .. I read the star carrier series which is also good but as an RN I really liked the point of view. A medical background helps but it's not necessary.

This is the first book in the Star Corpsman series by Ian Douglas a.k.a. William H. Keith Jr. In this one a Navy Corpsman is embedded with the U.S. Marines. Now, with Bloodstar, Douglas kicks off his new series, Star Corpsman, with a bang, focusing on the elite units of recon Marines and S/R Corpsmen who infiltrate. See the complete Star Corpsman series book list in order, box sets or #1. Bloodstar - Book #1 of the Star Corpsman — Bloodstar. William H. Keith Jr., Ian.

With Star Corpsman: Bloodstar he gives honor to Navy Corpsmen, characters I do anticipate the next book in the Star Corpsman series.
