

A year after his encounter with the Bakzen, Wil is still grappling with his upcoming role in the war. Weighed down by his sense of duty and a grim vision of his fate, he has withdrawn from friends and family—focusing only on his official assignments. However, Wil finds unexpected support when he befriends a new TSS trainee from Earth, Saera. Through their budding relationship, Wil comes to terms with the purpose he was born to fulfill and gains comfort in the knowledge that he won't have to face the future alone. With a sweet romance, coming-of-age, and a dash of adventure, this novel follows Wil as he completes his training to become the youngest and most powerful Agent the TSS has ever known.
