

In Borrowed Eyes 2 Dola continues on her quest to find her way out of a life of psychological torment. She gets the opportunity, though risky it may be, to live a reality much different from the one she's been led to believe exists. Desperate to find her way out of the nightmare that has been her life, she takes the risk and it works out until. Things go wrong when Dola learns the hard way that the enemy isn't always who you think it is and that the universe truly is mental. Mistakenly thinking that she has escaped, Dola ends up right back where she started, haunted by the tormenting memories of the witch that is her mother and the guilt of having left her younger siblings behind. Now through the eyes of her daughter Monet she must figure out a way to free herself once and for all and awaken her mind to seeing the truth about her reality. Borrowed Eyes is a 2-part drama series inspired by real life events. It's a novel where Toni Morrison meets Octavia Butler in which Amirah Bellamy explores fantasy while bravely touching upon those forbidden life issues common among many families, but rarely disclosed. Borrowed Eyes will speak to anyone who's experienced abuse and emotional trauma that emerges from unhealthy family ties.
