

Buck and Miss Penny is the tale of a dollar bill and a penny. They are two friends who live together in a piggybank and who sets out for adventures in the world around. One morning, the sun is shining and they decide to visit the nearby beach. Miss Penny is tough for a small coin, but Buck is a bit more nervous. Once outside, they meet more friends before Buck has to overcome some of his fears. The book conveys an important message: that it's natural to be scared when trying new things but we mustn't let that stand in our way. Since most children's financial habits are formed at a very young age, it is important to teach them about money. Buck and Miss Penny conveys the world from money's perspective which makes it quite unique. The book is both fun and educational and maybe it can lay the foundation for an abundant attitude towards money.

Here boy! (The Adventures of Scooter and Jake), Painkillers and Tranquillisers (Need to Know), Lost Girls, Bloodlust & Redemption, Gullivers Travels (Illustrated Junior Library), Woody Cut Stems for Growers and Florists: Production and Post-Harvest Handling of Branches for Flowers, Fruit, and Foliage,
