

As Gaia arrived to work that fateful day to a zoo full of visitors, including students from a nearby school, strange events began to unfold. After hearing rumors of a deadly virus being released and then news of a terrifying broadcast, she begins to witness both zoo employees and patrons dying and coming back from the dead as flesh-eating zombies. Will Gaia be able to survive the chaotic environment created by both the wild predators and the living dead? Warning: This book contains graphic sexual content, strong language, and violence. It is intended for mature audiences.

Critics Consensus: Stunning and compelling, Scorsese and Cage succeed at satisfying the audience. Nicolas Cage plays EMS paramedic Frank Pierce. Bringing Out the Dead is a very interesting film that is another character study from Martin Scorsese, much like Raging Bull or Taxi.

Released in to generally positive reviews but a poor box office, Bringing Out the Dead remains one of Martin Scorsese's most overlooked.

Editorial Reviews. From the Author. This book is a companion piece to my WAKE THE DEAD series, and at some point in the future, perhaps the twain shall meet.
