

Ordinary Charm By Anya Bast Serena believes herself to be pretty ordinary. Shes a size 14, wears glasses, and has a decidedly geeky streak. The only thing that isnt ordinary about Serena is that shes an OtherKin witch. Cole is anything but ordinary. Hes the physical vessel for an ancient pagan god called Cernunnos. When a coven of witches call that old, powerful energy forth to inhabit Coles body, chaos ensues. Cole discovers hes an OtherKin mage with powerful magicks at his command. He also loses his memory. But even though he cant remember his family, what he does for a living, or his last name, he knows one thingâ€”Serena, the witch tasked with keeping him, is his. He wants to declare that possession in every way. Serena cant believe this gorgeous piece of male magehood wants her. Yet Cole stalks her, seduces her, and generally upsets her previously safe little world. She vows to enjoy every last second of their erotic interlude while she can. But theres another force upsetting the world. His name is Ashmodai and hes a playful, sadistic demon. Thats not an especially good combination. Ashmodai is the reason Cernunnos has been called forth. And Ashmodai is planning to take Cole and Serena through hell and back before hes through. As You Wish By Myra Nour Nicks life was perfect. He was a successful businessmanâ€”and just as successful with the ladies. He had everything he wished, or so he thought. Then a lovely magical creature shook up his world and made him rethink what he valued. Amira wanted only one thingâ€”to escape the curse of the djinn. She had served many selfish masters through the millennia. Her hope was that one day a Master would discover the way to give her freedom. Her new Master was a shock. He was darkly handsome, just like her long-dead lover Omar. However, it didnt take long for Nick to show his true colors as a charming but uncommitted playboy. But Amira gradually discovers admirable qualities in her Master, in spite of his self-centered lifestyle. Maybe it was Nicks physical similarity to Omar that drew her so strongly to him, but she isnt content to play out the typical djinn/Master role. Amira is determined to teach her Master there is more to life than physical lust and fulfillment. Every time Nick makes a wish, Amira twists it in surprising ways. Although irritated at his beautiful genie for her tricks, he becomes more drawn to her sweet nature. Each wish he asks for is filled with hot women and wild sexâ€”wishes most men would consider a dream come true. But Nick soon finds himself desiring just one womans loveâ€”his genie.
