

Whats ****even more taboo**** than checking her cherry in the front? Going around back... Maxs special girl, Mandy, is home on summer break, and shes brought her hot, tight, erection-erecting ass with her! Her rump wasnt THIS round and full before she left for college... and when it comes to keeping Maxs desire in check, the ***teeny-tiny shorts*** she flaunts her thick, creamy cheeks in arent doing the man of the house any favors! He cant help but wonder: Does she have a tight little hole to go along with that tight little ass? Is her cherry intact-in-the-back, or has she opened her backdoor for scores of horny, young co-ed cock? He decides to perform a little check once his little girl has checked out. Anal v*rginity doesnt exactly make for prime dinner chatter, so Max will have to find out for himself... while she sleeps... Check the LOOK INSIDE for a taste of what you want... then hit 1-click and get what you deserve. * Note: This is Book Four in the stand-alone Checking Her Cherry series, but its not necessary to have read books 1-3, as they all feature different characters. What links them together is the title theme, which represents a taboo so hot, wrong and deliciously naughty, youll want to pop your cherry over and over again by buying the whole set!
