

Help your students become natural and fluent English speakers with Collocations Extra. Simple to use and quick to prepare, this impressive collection of photocopiable collocation activities encourages students to practise natural language chunks from elementary right through to advanced level. Popular topics and a CD-ROM with templates for games make it simple to integrate these activities into your classes. Informed by the Cambridge International Corpus, Collocations Extra ensures that the most frequently used collocations are presented and practised in their natural context.
