

An invigorating celebration of the seasons and poems that take shape
The twist of spring rain. The arc of summer waves. The roundness of fall pumpkins. The curve of winter snow-covered hills. These are just a few of the many shapes found among the four seasons. So come celebrate the year in this spirited rhyming collection of concrete poems-poems shaped by their subjects that wind, bump, and wiggle across each page. From spring through winter and back again, here's an exuberant excursion that takes delight in the special details of a child's world.
