Angel is not immune to his sensual and ruthless pursuit, and Alex is intoxicated by the beautiful doctor; overwhelmed with desire like heâ€™s never known. As the profiling case Angel is working on gets more and more dangerous, Alex finds himself filled with unfamiliar panic and emotional turmoil; his need to protect her goes against Angelâ€™s adamant insistence that she doesnâ€™t need his help. He isnâ€™t a man to sit on the sidelines when the woman heâ€™s obsessed with is threatened, so he takes control to protect her without telling her of his plans. Angelâ€™s fortitude is shaken when her stalker invades not only her personal life but also those close to herâ€¦ even when that someone is powerful and seemingly untouchable. Professional ethics insist she keep the details or her work away from her lover, even as their newfound closeness has her yearning to confide in him. But, as Angelâ€™s quest to protect her heart from Alexâ€™s undeniable pull equals her need to keep him out of a dangerous situation, circumstances dictate a huge decision; which could have detrimental, and irreversible consequences for them both. When danger threatens and jealousy reaches the boiling point, lies will be told and secrets keptâ€¦ Even with the best intentions and the most undeniable connection â€¦ the deepest of loves will be tested.
