

This book explains how four major firms--American Airlines, El Paso Natural Gas, AT&T, and Bank America--and their respective managements were challenged by the deregulation of markets starting in the late 1970s. The four stories illustrate the dynamic process of market restructuring and organizational adjustment, as well as the ways in which managers and regulators painfully learned to operate effectively as their economic and political environments shifted around them.

Teaching Compassion: Humane Education in Early Childhood: 8 (Educating the Young Child), Corporate Interiors, Vol. 6 (v. 6), Basic Spanish for Medical Personnel (Spanish Edition), Introductory Topology: Exercises and Solutions (Second Edition), Adventure Book For Teens: Fun Things To Do For Teens, World Whiskey, Febre Negra - Dark Fever (Portuguese Edition), Madagascar Indian Ocean Pearl: Madagascar - Unforgettable Landscapes (Calvendo Places),
