There is nothing quite like whipping up a batch of steaming hot stew or soup on a cold day. Hearty stews and spicy chilis can be made from a variety of ingredients, and all of the combinations deliver kicks of flavor that are unparalleled in any other type of cooking. However, one of the most daunting challenges in cooking can be manipulating the serving size that you see on recipes and in cookbooks. It can be a nightmare to have to divide and multiply the numbers to make sure that you are adding the proper amount of each ingredients. Sometimes, you find youâ€™ve added a little too much, and other times, you find that you are just short of the perfect amount of a particular component. If the above scenario applies to you, then fortunately there is an answer waiting in the wings! This book will guide you through the process of cooking for two. It is stocked with varied, delicious soup and stew recipes that will keep you coming back time and again. From traditional soups and stews to recipes with a twist, this book has something for whatever taste you are trying to satisfy. These 50 recipes will no doubt keep you warm for nights to come!
