

Based on a real-life events, *Courage in the Little Suitcase* is the story of the Warsaw Ghetto Uprising told through the eyes of its youngest survivor. All her life, Deborah's Mother has warned her not to open the door to the cedar closet at the end of the upstairs hall. But now Deborah, who has just celebrated her tenth birthday, decides she is old enough to explore the secrets of the forbidden closet. Tucked in among the ordinary hat boxes, blanket chests and garment bags, Deborah discovers a little suitcase. Opening it, Deborah realizes her true past and a pathway to her future. In Twenty-first Century America, people look back on the Holocaust and ask, "Why didn't someone fight back?" This historical fiction for middle grade answers that question by telling the true tale of some young people who resist the Nazis. It is the story of the Commander of the Warsaw Ghetto Uprising, Mordechai Anielewicz (pronounced Anjel-a-vitz), a young man in his early 20s, and 300 other young people who battled in every way they could, from civil disobedience and sabotage to armed combat and guerilla warfare. Nobel Laureate, Elie Wiesel said, "There are victories of the soul and spirit. Sometimes, even if you lose, you win." As horrible as life in the Ghetto was, Mordechai married his long-time girlfriend, Mira. Their baby, Devorah Tikva, was born on September 1, 1942. Knowing the uprising was doomed and that they would not survive, Mordechai and Mira decided to ask second cousins, living in the United States, to adopt the baby. They devised an elaborate plan to spirit the infant out of the Ghetto. With help from many "Righteous Gentiles", the baby was taken safely across Poland, through Germany and occupied France and eventually to Great Britain, where a British army nurse sailed with her across the Atlantic to the waiting arms of her new parents. Ten years later, Devorah Tikvah, now the thoroughly American Deborah Hope, disobeys her parents, opens the door to the forbidden cedar closet at the end of the upstairs hall, and discovers courage in a little suitcase.

In the sport of cycling, riders generally have very little chance of carrying The suitcase of courage is not just about pushing it to your max at all. I'd planned on our first coffee stop to be at a little place on Crescent Beach in Niantic, but as we got there we discovered it was probably still a.
