

Two years ago, Hannah Williams left the Witness Protection Program—and she's been running ever since. To stay ahead of the mob, she changes her name and location constantly. So when she takes a job caring for a Montana rancher's sick daughter, she expects to leave soon. But little Misty Taylor tugs at Hannah's heartstrings—and so does her handsome father. Hannah knows Austin Taylor suspects she's keeping secrets. But how can she tell him the truth without endangering the pair she's come to love?
