

LOVE...REDEMPTION...AND SECOND CHANCES HES GOT NOTHING TO LOSE... Fate has taken away everything former hot-shot Air Force pilot J.D. Rivera ever held dear--his family, his fiancée and his career. Inheriting his crazy aunts broken down ranch in Los Rios, Arizona, is the last thing he wants. For J.D. the ranch is just another bad memory. But if he doesn't take over the ranch, all the people who work there will lose their jobs. And the one person who'd believed in him would cry in her grave. SHE COULD LOSE EVERYTHING... A traumatic experience caused Madeline Inglewood to withdraw from life, but now she's determined to change all that. Maddy believes her new job at the Tripplehorn Ranch is perfect for her new start. But when she arrives, her employer is dead--and the new owner is a man with a secret. He's also dark, handsome, and if locals are to be believed--dangerous. . But when sparks fly between J.D. and Maddy, love...redemption...and second chances are theirs for the taking...if they can let down their defenses long enough to trust each other. Full of surprises. The pages seem to turn themselves. When a story engages my mind as well as my emotions, I know I'm hooked. 5 Stars --The Romance Reader
