

When Sarah Collins loses her only sister in a car accident, she's surprised to learn that guardianship of her two nephews and infant niece has fallen equally to her and her brother-in-law. Sarah's not ready to be a parent, but can she trust playboy Raif Manning to do the job? Raif, an illustrious photographer, is ready, willing, and eager to give up his wild bachelor lifestyle. He's just purchased an old, rundown farmhouse in Kansas and his number one priority is to restore it as the perfect place to raise his new family. Raif knows that he has to have a proper home for the kids if he's going to convince Sarah to give him sole custody. But when Sarah shows up on Raif's doorstep he's completely unprepared. The house is in shambles, the kids are running amuck, and what's worse? As soon as Raif gets an eyeful of the sexy Sarah with her sassy attitude and completely transparent suit of armor, he falls hard and fast. Little does Raif realize that while he's trying to find a way to lure Sarah into bed, she's finding her way into Raif's heart and helping him realize his dreams. \*\*Warning: Contains explicit language and erotic sex scenes\*\*
