

In **CROSSING LINES**, the worlds best-stocked toy drawer can only take a gal so far. Bored with her current assortment of vibrating, plastic pieces, building inspector Sam Wallace decides to add a new sex toy to her collection: Kevin Mazze. The irresistible Italian is happy to help her live out her long-held sexual fantasies, while also insinuating himself into her life and winning the affection of her five-year old daughter. But just as Sam starts to trust Kevin with her heart, as well as her body, she learns heâ€™s committed an unforgivable sin. Myrtle Beach developer Kevin Mazze is one of the good guys. Hes spent his life always doing the right things and making those around him happy, even if it means maintaining a relationship long after itâ€™s reached its expiration date. When he meets the woman of his dreams, he finds himself making bad choices in the name of good and crossing lines he never thought he would... while praying she never learns of the secret heâ€™s been hiding.
