

The once great United States slowly crumples from within due to the gradual declining of our service based economy. Slowly but steadily our economy winds down until it finally can not support itself any longer. A simple janitor watches the decline of his country and like others can do nothing about it. Instead he retreats to his own little slice of rural property as everything crashes all around him. This is the story of a simple man just trying to live out his simple life. As always in my stories there is no foul language or sex though there is some violence. My stories are only meant to provide an afternoon or evening of reading enjoyment. If when reading any story you find that an occasional grammatical error spoils your whole experience then you may wish to not read this story as I am sure some could be found within it despite my best efforts
