

Cooper Shaw lives his life under a pen name and enjoys the anonymity it provides during his journeys across the globe as a seasoned writer for a travel magazine. When his job lands him in his hometown of Salem, Massachusetts, to cover the famous Festival of the Dead, he soon realizes that he can't stay invisible forever as he faces ghosts from a past he's been trying to forget ever since he left. The city represents nothing but bad memories for Coop until he meets Finnley Pierce, a quirky young woman with an old soul and curious insights. While she acts as his tour guide through a town he thought he knew, Finn helps him unearth the truth of his childhood and might even begin to open up his heart. By unraveling the mystery of his father's murder, Coop may finally accept who he is, where he came from, and perhaps even realize what he wants for his future.
