

Most people have childhood memories. I don't. Thought of myself as having an origin storyâ€”only I didn't know what the story was. *First introduction of Samantha Hawthorne (Eldritch Files)* A chance reunion with an old friend searching for his missing daughter delays Dags's own quest to find his past when he volunteers to help. But when a Witch discovers the daughter was taken by Faeries, Dags learns the Faerie Realms hold much more than just strange denizens. Can Dags survive an Angel's wrath, a flesh-eating Changeling, and a mad Faerie queen? Will he find the answers to his past?
