

A ruthless pair of quirky, sociopathic killers for hire. A father figure returned from the grave. A series of killings so cleverly executed, murder is not suspected in some instances -- much less a connection to other deaths. These elements and more combust in Dead Mans Dance. Investigative reporter Quinns story emanates from the troubled heart of his past. The stepfather who single-handedly raised him, Judge Teddy Krammerson, is brutally murdered, apparently by neo-Nazis out to avenge what they believe is the harsh sentencing of one of their own. But the murder may instead be connected to the reemergence of Quinns beloved Joe Steps Sarducci, who supposedly died thirty years ago. Quinn wrestles with long-unanswered questions regarding his paternity as he seeks to track down the identities and motives of the judges real killers -- before they can brutally strike out again at others near and dear to him. Filled with indelibly etched denizens of L.A., fraught with the brooding moodiness of classic film noir, Dead Mans Dance is Ferrigno at his riveting best.

Lost Blood (The Fallen Book 3), Gitanjali, Julian of Norwich: Showings (Classics of Western Spirituality), Aftermath: A Snapped Novel, The Complete Works of William Makepeace Thackeray, Volume 6, The Forest House, Its In His Heart (A Red River Valley Novel), The Eve of Destruction (The Immortal Ones) (Volume 4),
