

As the food and cocktails columnist for the Island Times, Hayley Powell attends a lot of eventsâ€”but this one will be murderâ€”On the eve of her high school reunion, Hayley dreads seeing the trio of mean girls who used to torment her: Sabrina Merryweather, Nykki Temple, and former prom queen Ivy Foster. These days Ivy wears a different crown as the cupcake queenâ€”and flaunting her success is just the icing on the cake. But maybe the prom queen should have been voted Most Likely to Die. At the reunion, Ivy is found murdered, cupcakes scattered around her. Is a killer out to teach the mean girls a lesson? As Hayley tries to get the scoop, sheâ€™ll have to be carefulâ€”or someone may be writing this columnistâ€™s obituary next. Includes seven delectable recipes from Hayleyâ€™s kitchen!
