

It's been 90 years since the Nation of Israel split in two. The southern kingdom of Judah is in turmoil. God's promise to King David, that he would always have a descendant on the throne, seems to have been broken—thwarted by a wicked queen who has seized power and killed all the heirs! How could God let this happen? Where is God when evil triumphs over good? When is God going to intervene and set things right? But God has not been taken by surprise. He has prepared an answer to the evil that threatens the land. It does not come with great signs and wonders as it did in Egypt, but in the form of men and women who are willing to follow the One True God. Indeed, with His help, one person can change the course of human history forever. Rising from the pages of the Old Testament Scriptures, this fast-paced narrative is an invigorating reminder that God is at work even in the bleakest of times.
