

Food and cocktails columnist Hayley Powell is not looking for love this Valentines Day. Of course she also isnt planning on looking for a murderer. . .Fed up with dating after a disastrous setup, the only thing Hayley wants to snuggle up to is a box of made-to-order chocolates from plus-sized, plus-mouthed chocolatier Bessie Winthrop. But when Bessie is found dead in her kitchen, only Hayley suspects that Bessies heart attack might actually be a candy-coated murder. Turns out Bessie had more enemies than a boxful of chocolates, each one a suspicious flavor. Its sticky business juggling a job, two teenagers and finding a killer, but its better than letting a killer find Hayley first. . .Includes seven delectable recipes from Hayleys kitchen!Praise for Death of a Country Fried RedneckSnappy pace, fun characters, and a clever plot.
