

Endless destruction defines human life in a world run amok. There are those who will pick the uncertainty of the alien sky, are the Tonans life or are they death? Macey learns first hand a Tonan warrior doesnt apologize for who or what he is or will do. In an unforgiving new world there is one who battles his heritage. Can Taz be the defender Macey needs, or are his four hundred year old decimating roots buried too deep to refuse? Taz needs to make the decision fast. His mentor slash tormenter will come looking for him. Krish will kill Macey. Indecision rules Tazs life until in a heartbeat he decides his fate, Maceys fate and Earths fate. Either wayâ€”death will follow.
