

He's late delivering her pizza, but just on time to deliver her baby! Stephanie Nine months pregnant, recently widowed, and craving a double mushroom and extra sauce pizza. If that's not bad enough, a handsome med-student who is late delivering my favorite comfort food finally arrives just as my water breaks. Not the beginning of your usual love story, I know. There's something about Daniel, though. He's white and privileged, a thousand miles from my world. After he delivers my baby, we start to spend time together. After the baby's father died in Afghanistan, I told myself I'd never love again, but Daniel is just so sexy and sweet. I can't resist him! Daniel I never would have dreamed that delivering pizza would drop the world's most perfect woman in my path. Working my side job brought me and Stephanie together, but then she went into labor in my arms. As a first year med-student, my medical knowledge really saved the day. She's a gorgeous dark-skinned princess, so different from every other woman I've ever met! Over time, checking up on her turns into more. She's all alone in the world, a beautiful grieving widow with a gorgeous new son. Our bond turns passionate and hot, and I know I need to find a way to make Stephanie mine. She might drive me nuts sometimes, but I've fallen hard for her and Danny, her new baby. Yeah, she named him after me. Am I strong enough to heal Stephanie, body and soul, so that I can make her mine forever? NOTE: This is a full-length BWWM pregnancy romance novel of roughly 48,000 words.
